

# Barcroft Neighborhood Project List

As adopted at the BSCL meeting of September 6, 2007

## Sidewalks, Some With Curb And Gutter

#	Block & Street Name	Brief Project Description
	10 S. Pershing Drive (28 and 34 S. Pershing)	New curb, gutter & sidewalk on west side
	100 S. Pershing Drive	New curb, gutter & sidewalk on west side
	100 S. Pershing Dr (stub to S. Woodrow)	New curb, gutter & sidewalk on north side.
	4600/4700 block 7th St South (Wakefield to Buchanan)	New sidewalk on one side
	4800 block 7th St S.	New sidewalk on south side at Woman's Club (side of 700 S. Buchanan) avoiding large tree. Curb and gutter only on north side from 4809 to FMR park. New curb and gutter at bottom of hill with drainage provisions to prevent washdown on trail. No widening at bottom.
	4800 block of 8th St South (Buchanan to FMR park)	New sidewalk on one side
	4800 block of 8th Road South (Buchanan to FMR park)	New sidewalk on one side
	4800 block of 9th St South (4818 to FMR park)	New curb, gutter & sidewalk on south side with connection to park entrance trail. New curb and gutter at bottom of hill with drainage provisions to prevent washdown on trail.
	S. Buchanan from 3rd St S south to 9th St S	New sidewalk on east side.
	4700 block of 9th St S	New curb, gutter & sidewalk on north side at one house: side yard of 831 S. Buchanan
	200 block of S. Pershing Dr. from 3rd St S up to Pershing Court	New sidewalk on east side
	4400 block of 1st Place S from S. Pershing Dr. eastward	New curb, gutter and sidewalk on one side
	100 block of S Woodrow St	Curb, gutter and sidewalk
	4500 block of 4th St S	Sidewalk at side of 401 S. Wakefield
	4600 block of 8th St S	Sidewalk in front of 4609 8th St S
	400 S. Taylor	Sidewalk
	401 S. Wakefield (corner, on the 4th St. side)	Sidewalk on 4th St side of single home at 401 S Wakefield.
	800 Block Wakefield from 8th Rd to 9th St	Sidewalk
	4600 9th St (825 S. Wakefield—corner house)	Sidewalk wrapping around corner from Wakefield onto 9th St.
	4610 to 4632 4th St. S	Sidewalk
	4600 5th St S	Sidewalk in front of 4630 and 4664.
	4400 block of 1st Rd	Sidewalk opposite 4409 (rear of Hidden Oaks) if trees can be spared.
	4300/4500 block of 9th St S	Sidewalk on north side, but only if huge oak dies.
	4600 block of 1st St S	Curb and gutter on both sides, sidewalk on one side.

## Parks

#	Park Name	Brief Project Description
	Arlington Hall Park	Construct 2 tennis courts with backboard. Improve naturalized garden areas with additional plantings and benches. Add storm water management with bioretention area resolving long-standing drainage problem on S. side of park. Replant trees lost in picnic area and add trees in other areas. Add restrooms. Refit the George Mason Dr. underpass from Arlington Hall Park to Arlington Hall to permit completion of the trail to Thomas Jefferson Community Center.
	Four Mile Run Park/W&OD Trail at 7th St S	Improve entrance at 7th Street S.
	Four Mile Run Park/W&OD Trail at Columbia Pike	Improve entrance at Columbia Pike with landscaping, water fountain and design to discourage loitering. Repave with water management features so as not to contribute to erosion.
	Trail between S. Abingdon and S. Aberdeen	Improve trail with water management provisions so as not to contribute to erosion. Consider solutions for too-steep slope on S. Aberdeen side of the creek.
	Virginia Power former substation on S. Pershing Dr	Acquire park. Cleanup toxic waste, remove invasive plants and landscape with native plants including shade trees. Surround the area with naturalized plantings. Add park amenities, depending on the success of the toxic waste cleanup.
	Grandma's Creek park (from bend of Pershing/Buchanan/6th St S to FMR)	Improve trail for foot traffic only, no paving and minimum gravel, maybe mulch. Move steep entrance from W & OD to S. 7th St. Improve footbridges. Improve steep entrance from Pershing Dr. Remove invasive plants. Mitigate erosion along streambed and from the end of 6th St S and other street stubs into the park, installing bioretention areas where appropriate.

## Traffic Calming

#	Block & Street /Intersection Location	Brief Project Description
	S. Abingdon Street from 4th Street S to 6th St S	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	6th Street S from S. Taylor St to S. Wakefield St	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	4th Street S George Mason to S. Taylor Street	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	4th Street S S. Taylor Street to S. Wakefield Street	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	6th Street S S. Buchanan Street to S. Wakefield St	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	8th Street S S. Taylor Street to George Mason Drive	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	8th Street S S. Wakefield Street to S. Taylor Street	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	8th Street S S. Buchanan Street to S. Wakefield St	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	S. Pershing Dr from S. Woodrow St to S Pershing Ct	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.
	S. Buchanan St – 600 block	Additional speed hump required by topography.
	S. Stafford St 6th St S. to 7th Rd S 27 187	Speed humps, nubs, striping, textured crosswalks, chokers or other current County techniques.

	George Mason Dr and 4th, 6th, 8th Sts S	Gateway treatment to slow traffic turning into neighborhood. Design to be determined.
	Col Pike and S Taylor, S. Wakefield and S. Buchanan, north side.	Gateway treatment to slow traffic turning into neighborhood. Design to be determined.
	Buchanan, Pershing – all blocks	Install durable bollards at center line of all speed cushions or otherwise resolve problem with cars using center channel

## Transportation

#	Block & Street Name	Brief Project Description
	Arlington Blvd and S. Abingdon St/ N. Henderson	Enhance pedestrian crossing safety. If VDOT ever closes this intersection a pedestrian overpass would be required.
	S. Pershing/Wakefield/3rd St S intersection	Install permanent curbs and nubs. Long-awaited project has apparently died.
	S. Buchanan St at 7th St S	Enhance pedestrian crossing safety by improving sightlines to south or other means.
	S. Buchanan St at 6th St S	Enhance pedestrian and car safety by improving sightlines or other means.
	Various intersections identified in survey	Improve drainage problems creating hazardous conditions in winter.

## Street Lights

#	Block & Street Name	Brief Project Description
	Abingdon from 10 block to 6th St S	Install dark sky standard compliant Carlyle-style street lights.
	3rd St, 4th St, 5th St, 6th St from Abingdon east	Install dark sky standard compliant Carlyle-style street lights.
	S. Woodstock cul de sac	Install dark sky standard compliant Carlyle-style street lights.
	Arlington Blvd Service Road: S. Abingdon to traffic light	Install additional dark sky standard compliant Carlyle-style street lights.
	Arlington Blvd Service Road: S. Pershing Dr. east	Install dark sky standard compliant Carlyle-style street lights.
	S. Pershing Dr: Arl. Blvd to 2nd St S	Install dark sky standard compliant Carlyle-style street lights.
	2nd St S 4600 block from S. Pershing to S. Woodrow	Install dark sky standard compliant Carlyle-style street lights.
	S. Woodrow and stub of Pershing to S. Pershing Dr	Install dark sky standard compliant Carlyle-style street lights.
	1st Place S. from S. Pershing east.	Install dark sky standard compliant Carlyle-style street lights.
	1st St S west of Pershing and east of Pershing to Utah	Install dark sky standard compliant Carlyle-style street lights.
	S. Utah from 1st St to 1st Rd	Install dark sky standard compliant Carlyle-style street lights.
	1st Rd S	Install dark sky standard compliant Carlyle-style street lights.
	6th St S. from S. Taylor to S. George Mason Dr.	Install dark sky standard compliant Carlyle-style street lights.
	8th St S from S. Taylor to S. Wakefield	Install dark sky standard compliant Carlyle-style street lights.
	9th St S from S. Taylor to S. Wakefield	Install dark sky standard compliant Carlyle-style street lights.
	S. Buchanan St from 9th St to Columbia Pike	Install dark sky standard compliant Carlyle-style street lights.
	S. Wakefield St. from Pershing Dr to Columbia Pike	Install dark sky standard compliant Carlyle-style street lights.

	8th Road from S. Buchanan to FMR park	Install dark sky standard compliant Carlyle-style street lights.
	6th St S from S. Taylor to S. Buchanan	Upgrade colonial lights to dark sky standard compliant Carlyle lights.
	7th St S from Wakefield to Buchanan	Upgrade colonial lights to dark sky standard compliant Carlyle lights.
	S. Taylor St from 4th St to Columbia Pike	Upgrade colonial lights to dark sky standard compliant Carlyle lights.
	8th Rd S from Wakefield to Buchanan	Upgrade colonial lights to dark sky standard compliant Carlyle lights.
	7th St S from S. Buchanan to FMR Park	Install additional dark sky standard compliant cobra lights near bottom of hill.
	8th St S from S. Buchanan to FMR Park	Install additional dark sky standard compliant cobra lights near bottom of hill.
	9th St S from S. Buchanan to FMR Park	Install additional dark sky standard compliant cobra lights near bottom of hill.

## Beautification

#	Block & Street Name	Brief Project Description
	800/900 blocks of S. George Mason to Colombia Pike	Tree planting (including media if possible)
	700/800/900 blocks of Buchanan between 7 <sup>th</sup> St S & Colombia Pike	Tree planting
	S Buchanan St and Colombia Pike	Enhanced bus shelters to provide adequate shelter for numerous users.
	Arlington Blvd & Abingdon/Henderson	Enhanced bus shelters on both sides of Arlington Boulevard.
	400 block S. Pershing Dr and S. Buchanan St -- curve	Landscaping/sidewalk improvements
	Colombia Pike (north side) between S Taylor St and Food Star	Landscaping/sidewalk improvements, including screening of dumpsters at store
	Colombia Pike (various)	More public trash cans
	Neighborhood	Repeat of tree seedling distribution for private planting
	0 to 300 blocks of S. George Mason Dr. (from Arlington Boulevard to 4th St S.)	Landscaping/sidewalk improvements including widening sidewalk, installing retaining wall and landscaping from Arlington Blvd to 4th St S on west side.
	Entrances (TBD)	"Barcroft" sign and landscaping

## Other

#	Block & Street Name	Brief Project Description
	All blocks, all streets.	Drainage project to control West Nile mosquitoes. Would include eliminating stagnant water sources in sewer, catchment basins, gutters and anywhere on public property. Would also include public health campaign and other assistance for homeowners to eliminate mosquito breeding areas on private property such as gutters that are not sloped to drain properly, puddles at bottom of basement stairs and low spots on lawns. Would not use sprayed chemicals. Would request planning funds first.
