Arlington, Virginia 22204

RESOLUTION OF SUPPORT

Whereas the Barcroft Elementary School is a very important part of the Barcroft neighborhood and contributes significantly to the quality of life for all Barcroft residents; and

Whereas inadequate parking for teachers and staff, and traffic at school opening and closing poses safety and congestion issues on the streets near the School that affect staff, teachers, and nearby residents; and

Whereas the Barcroft School and Civic League strongly supports efforts to mitigate parking problems and to improve the safety for students, parents and neighbors; therefore

Be It Resolved that the Barcroft School and Civic League urges the County and Arlington Public Schools leadership and staff to work with the neighborhood and Barcroft School to find solutions and resources to meet these challenges.
