PRESIDENT'S CORNER:

I have enjoyed the last year greatly. It had given me a unique opportunity to get to know many of my neighbors in ways that would not have been possible otherwise. The kinds of friendships and relationships discovered during this time have been most enjoyable.

I would like to encourage you to come out to the meeting & discover the wonderful people who make Barcroft a good place to live.

If you cannot come, please make an effort to get to know your fellow community members. Walk around. Say "Hi!" to your neighbors around the block. You would be surprised at how friendly and receptive their response will be.

Thank you for the honor and privilege of letting me serve you this year.

Your Neighbor,

Bob Clark
